

Curriculum Vitae

Personal information

Surname(s) / First name(s) **ALBOIU CORNELIA**

Telephone(s) **+40213182411** Mobile: **+40721379120**

E-mail **Coraalboiu@yahoo.com**

Nationality **Romanian**

Date of birth **October 29, 1974**

Gender **Female**

EXPERTIZE FIELD **Agricultural markets, vegetable supply chain, food value chain, agricultural policies**

Work experience

Dates **2000- Present**

Occupation or position held **Senior Researcher - Economist**

Main activities and responsibilities

- contributions to the strategy for agriculture and rural development within the National Programmes for Agriculture and Rural Development 2000-2006, the National Programme for Rural Development 2007-2013, 2014-2020, 2023-2027
- research works on the Common Market Organization in the vegetable-fruit sector,
- diagnostic analysis of the vegetable supply chain, SWOT analysis, as well as assessment of the impact on the vegetable supply chain following the implementation of various sectoral policies and support
- analysis of the vegetable market (demand, supply, consumption, import, export, consumption availability and self-sufficiency in the vegetable sector), product policy implemented for the vegetable market;
- analysis of the impact of agricultural policy reforms, especially the Common Agricultural Policy and its implications on farmers, consumers and the state budget;
- econometric analysis of the evolution of agricultural GDP and other econometric models; macro-analysis of the Romanian agricultural sector (econometric modeling of the links between agriculture and upstream and downstream sectors), the use of probit models in the analysis of farmers' participation in the supply chain in the vegetable sector
- studies on the competitiveness of the vegetable sector and comparisons with other EU member states
- research papers on the productivity of farms in the vegetable sector

Name and address of employer **Romanian Academy of Sciences - Institute of Agricultural Economics, Bucharest, Calea 13 Septembrie No.13, Sector 5, Tel/Fax: +40213112428, www.eadr.ro, Romania**

Type of business or sector **Research institution /Economics – Agri-food markets, agri-food policies**

Dates **Dec. 1997- Oct. 1998**

Occupation or position held **Economist**

Main activities and responsibilities **Collection, processing and analysis of data relating to economic and social indicators of enterprises in Ilfov County**

Name and address of employer **Romania, National Institute of Statistics, 16 Națiunile Unite B-lvd., sector 5, Bucharest**

Type of business or sector **Statistics/state institution**

Education

Dates **Oct. 2000 - April 2006**

Title of qualification awarded **Ph D in economics**

Principal subjects/occupational skills covered **Title of the doctoral thesis: "Modeling the relations between industry and agriculture in Romania in the context of integration into the European Union"**

Name and type of organisation providing education and training **The Academy of Economic Studies, Bucharest, Romania, www.ase.ro; State university**

Title of qualification awarded	6
Dates	Oct 1998 -Oct.2000
Title of qualification awarded	MSc in Economics
Principal subjects/occupational skills covered	Macroeconomic policies, econometric modeling, operational research, Common Agricultural Policy, environmental protection analysis
Name and type of organisation providing education and training	Mediterranean Agronomic Institute of Chania, Creta, Greece
Level in national or international classification	6
Dates	Oct. 1993-June 1997
Title of qualification awarded	Bachelor's Degree in Economics
Principal subjects/occupational skills covered	Agricultural Policy, Environmental Economics, Agricultural Marketing, Economics and Management of Agricultural Units, Accounting
Name and type of organisation providing education and training	Academy of Economic Studies, Department of Economics and Management of Agri-Food Production and Environment
Level in national or international classification	5
Training	
Dates	2017
Title of qualification awarded	Certificate of attendance
Principal subjects/occupational skills covered	ENHANCE ABM Course " Agent-based modelling in agricultural and resource economics (ABM)/ Complex Adaptive Systems (CAS)/ Agricultural Policy Simulator (AgriPoliS) "/Student
Name and type of organisation providing education and training	USAMV Bucuresti/IAMO - Bucuresti, Romania/Halle-Saale, Germany
Dates	2008
Title of qualification awarded	Certificate of attendance
Principal subjects/occupational skills covered	MACE Project Marie Curie " Basic Issues in Economic and Farm Management Advisory Work "/Student
Name and type of organisation providing education and training	Humboldt University, State University of Rusia "Academia Timiryazev", Hohenheim University, IAMO, - Moskow, Russia
Principal subjects/occupational skills covered	MACE, European Summer School in Prague (EGATE), " Efficiency and grow in agriculture of transition "/Student
Name and type of organisation providing education and training	Research Institute of Agricultural Economics (VUZE) – Prague, Czech Rep., Leibniz Institute of Agricultural Development in Central and Eastern Europe (IAMO) – Halle/Saale, Germany, Czech Agricultural University in Prague (CZU) - Prague, Czech Rep.; State research institutes; Prague, Czech Rep.; Prague, Czech Rep.
Title of qualification awarded	Certificate of attendance
Principal subjects/occupational skills covered	Summer School in Agricultural and Applied Economics " Challenges of agriculture in transition "/Student
Name and type of organisation providing education and training	Christian-Albrechts University of Kiel, Germany; State university; Kiel, Germany

Personal skills and competences

Mother tongue(s) **Romanian**

Other language(s)

Self-assessment

European level (*)

English

Experience in project management and project participation

Period	Project title-description
2012-2015	<p>Project title: International comparison of agri-food supply chains: determinants of their competitiveness and performance on EU and international markets, grant agreement no. 312029, key expert http://www.compete-project.eu/activities.html</p> <p>Key areas: agricultural competitiveness, governance structures in agri-food supply chains, innovation in supply chains.</p> <p>Activities carried out: SWOT analysis for the main EU agri-food chains (cereals, fruit and vegetables, milk and dairy, pork), analysis of the influence of several factors on competitiveness (including focus on product quality), draft report on the overall picture and future competitiveness of EU trade.</p>
2019-2022	<p>ADER 18.1.1.: Research on identifying the potential for creating regional circular economy clusters - case studies", project manager, Ministry of Agriculture and Rural Development https://bioesurse.ro/blogs/proiecte/cercetari-privind-identificarea-poten%C8%9Bialului-de-constituire-a-unor-clustere-regionale-de-economie-circulara-studii-de-caz</p> <p>Key areas: determining the potential of the circular economy in the agri-food sector at the level of some regions in Romania. Supporting economic entities interested in taking over innovative technologies, with the implementation of a responsible attitude towards the environment and towards the resources used.</p> <p>Activities carried out: providing solutions and recommendations regarding the transfer of knowledge in the field of the circular economy on the agri-food chain and the creation of a cluster in the field; providing a demonstration model of good practices for regional circular economy clusters in the agri-food sector.</p>
2019-2023	<p>Advancing Sustainable Circular Bioeconomy in Central and Eastern European countries (BIOEASTsUP) – expert cheie – EC Horizon2020 – https://bioeast.eu/bioeastsup/; https://cordis.europa.eu/project/id/862699</p> <p>Key areas: bioeconomy, multi-stakeholder approach, Activities carried out: implementation of multi-stakeholder techniques for the development of new bioeconomy-related value chains in Romania and for the adoption of the Strategic Research and Innovation Agenda (SRIA) at the level of BIOEAST countries.</p> <p>Activities carried out: implementation of multi-stakeholder techniques for the development of new bioeconomy-related value chains in Romania and for the adoption of the Strategic Research and Innovation Agenda (SRIA) at the level of BIOEAST countries.</p>
2023-2026	<p>Innovative Toolbox empowering effective CAP governance towards EU ambitions (Tools4CAP) – expert cheie – EC Horizon Europe - https://www.tools4cap.eu/; https://cordis.europa.eu/project/id/101086311</p> <p>Key areas: methods and tools; CAP strategic plans; CAP governance</p> <p>Activities carried out: critical analysis of participatory tools used in Romania for drafting the NSP-CAP; development of innovative participatory and impact assessment tools and communication and dissemination of project results.</p>
2021-2022	<p>Common Agriculture Policy (CAP) Programming Support, World Bank Project, expert,</p> <p>Key areas: develop research to support the measures proposed by Romania for the PNS 2023-2027</p> <p>Activities performed: carried out an analysis of the profitability of plant and animal products in relation to the coupled support granted using Lorenz curves and other specific indicators</p>
Aug 2020- dec 2020	<p>Project title: The evaluation of the progress of the national strategy for the operational programs implemented in the fruit and vegetable sector as well as the national framework of environmental protection measures selected within the operational programs of producer organizations in the fruit and vegetable sector, expert, Ministry of Agriculture and Rural Development</p> <p>Key areas: evaluation of operational programs under mandatory indicators provided for in section 4 of annex II to the Implementing Regulation (EU) no. 892/2017 and the additional indicators specified in the national strategy (according to Annex I, point 5. to Implementing Regulation (EU) No. 892/2017).</p> <p>Activities performed: analyze the degree of use of financial resources, the efficiency of the implementation of the 2013-2018 operational programs and also the effectiveness of these programs. The effects, coherence, impact and relevance of the implementation of the operational programs in the period 2013-2018 in the fruits and vegetable sector were also analyzed.</p>
2008–2010	<p>Project title: Market Information System for Romanian agricultural markets, World Bank, project director, 60000 euros</p> <p>Key areas: creating a market information system in Romania</p> <p>Activities performed find the mechanism together with the Project' partners (poultry association: UCPR, livestock: AGCTR, cereals: Rompan, ecological products: Biocert, vegetables association: Romconserv in order to draft the</p>

	<p>way these associations provided information on prices and qualities for the agricultural products named above; this mechanism referred to price transmission (by region, location, frequency, quality/breed); coordinate the market information report Preturi Agronet nr.1,2,3,4/2010</p>
<p>2013- prezent</p>	<p>Project Title: Evaluation of Rural Development Programmes within the European Network for Rural Development, Geographical Expert, European CAP Evaluation Service https://eu-cap-network.ec.europa.eu/index_en; https://ec.europa.eu/enrd/home-page_en.html Role: Geographical Expert within the European CAP Support Service Key area: providing support for the evaluation activities of the Rural Development Programme in Romania and mutual learning on monitoring and evaluation of CAP at the level of EU Member States Regular activities carried out: involvement in evaluation activities and creation of evaluation networks regarding the Rural Development Programme and the National Strategic Plan. Participation in the meetings of geographical experts organized by the CAP Evaluation Support Service and contributions to the collection of evaluation studies on agriculture and rural development, organization of annual events to strengthen evaluation capacities in Romania regarding the monitoring and evaluation of Rural Development Programmes, CSP; checking the evaluation sections of the Annual Implementation Reports of the Romanian PNDR and preparing information sheets on the main aspects related to the evaluation and monitoring of the Romanian Rural Development Programs</p>
